Sir:

In response to the Office Action mailed April 24, 2002, please amend the above-identified application as follows:

In The Specification

Please replace the paragraph beginning on page 26, line 16 as shown below.
A marked up version of the amended paragraph is attached to this Amendment.

Another embodiment of the present invention is generally indicated at 180 in Figures 12a-12d. In this embodiment, the waveguide device 180 is configured as a fiber and has a pumping section, generally indicated at 182, and mode control section, generally indicated at 184, which are different types of fiber and they are preferably fusion spliced

CERTIFICATE OF MAILING UNDER 37 C.F.R. § 1.8

I hereby certify that this paper, including all enclosures referred to herein, is being deposited with the United States Postal Service as first-class mail, postage pre-paid, in an envelope addressed to: Box, Commissioner for Patents, United States Patent and Trademark Office, Washington, D.C. 20231 on:

July 11, 2001
